August Program

The Natural History of the Lemon Lily

Dave Stith, Lemon Lily Festival founder!

SATURDAY, AUGUST 12, 2017

1:30 PM –2:30 PM

Lilium parryi, the lemon lily is one of our rare Southern California lilies. Mr. Stith, instigator of the Idyllwild Lemon Lily Festival, will present what he has learned about lemon lily ecology and conservation from his field work, literature and other lily supporters.

One person has made the difference for this species!
